

# Change Password

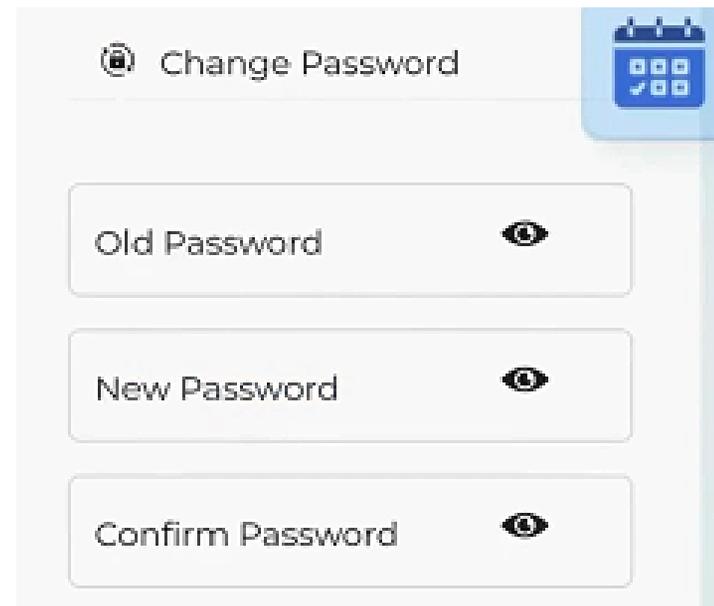

1. Pagka-login sa iyong account, i-click ang **“Profile Icon”**

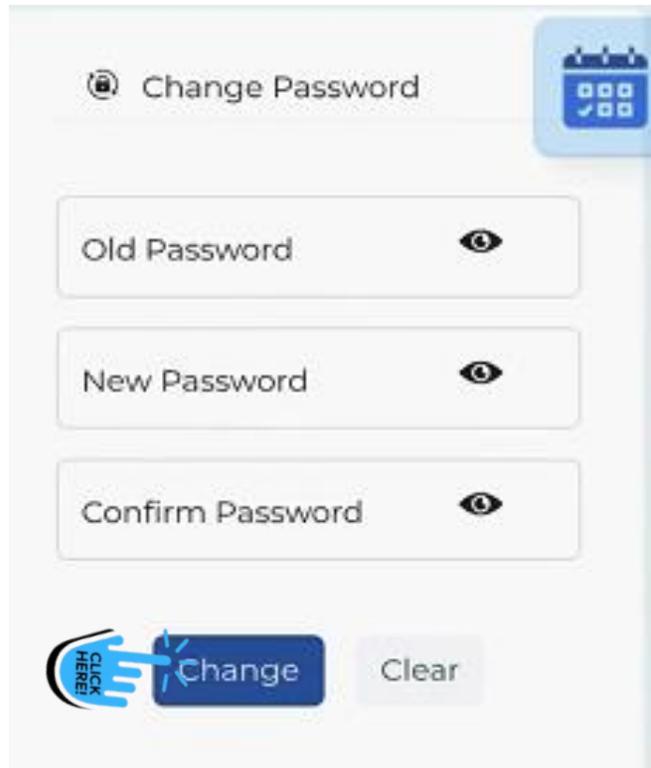

2. I-click ang **“Change Password”**.

3. I-encode ang iyong **“Old Password”**, pagkatapos ay ilagay ang nais na **“New Password”** at ulitin ito sa **“Confirm Password”** field.

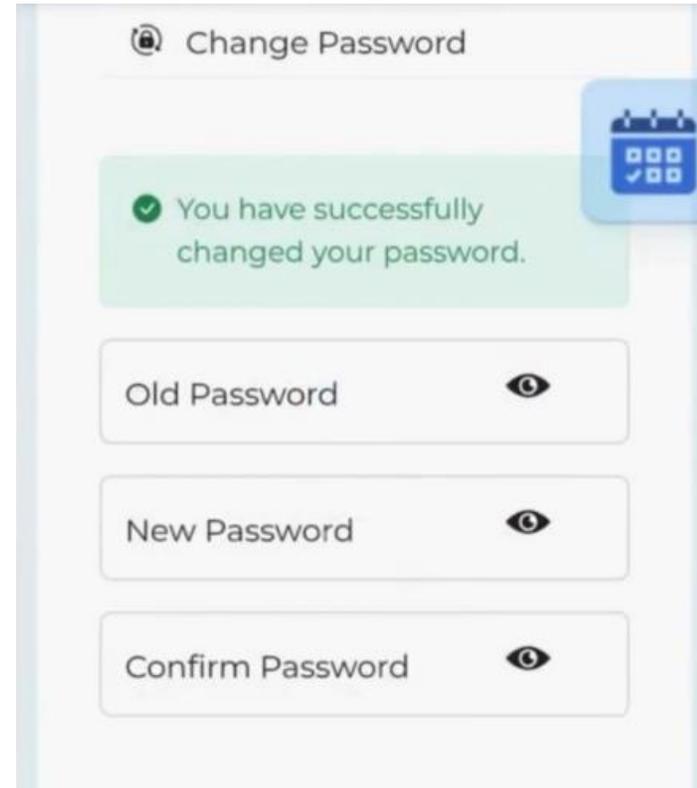

A screenshot of the "Change Password" form. The form has a title "Change Password" with a lock icon and a calendar icon. Below the title are three input fields, each with a toggle eye icon: "Old Password", "New Password", and "Confirm Password".

4. I-click ang “**Change**” upang mapalitan ang iyong lumang password.

The screenshot shows a 'Change Password' form with three input fields: 'Old Password', 'New Password', and 'Confirm Password'. Each field has an eye icon to toggle visibility. At the bottom, there is a blue 'Change' button with a hand cursor icon and the text 'CLICK HERE' next to it, and a grey 'Clear' button. A calendar icon is visible in the top right corner.

5. **Congratulations!** Napalitan na ang iyong password.

The screenshot shows the same 'Change Password' form, but with a green success message at the top: 'You have successfully changed your password.' The 'Change' button is no longer visible, and the form fields remain. A calendar icon is visible in the top right corner.
